

Microsoft Teams Essentials from Intermedia

An affordable, professional meeting solution designed to help small businesses communicate and collaborate in an easy, secure, and reliable way.

Have unlimited meetings with recordings and transcripts

Make calls and host meetings

Meet from anywhere. Schedule online meetings with up to 300 participants for up to 30 hours per meeting.

Share and collaborate on files

Get things done together. Access shared files across devices with 10 GB of cloud storage per user and work with others in real time or on your own time.

Enjoy unlimited chat, including guest access

Share files, assign tasks, and create polls

J.D. Power-certified 24/7 support from Intermedia

Message and chat

Keep everything in one place. Have unlimited chats with coworkers and customers before, during, and after meetings and refer back to them at any time.

Connect and collaborate securely

Work with confidence. Collaborate worry-free knowing your data is encrypted in all chats, calls, meetings, and files.
